REGISTRATION FEE AND RAFFLE

Again this year there will be a $1.00 registration fee per person attending the Annual Membership Meeting. For part of this buck a ticket will be given to be used in the plant raffle.

There will be another prize this year also. If the sharp eyed members will look close they will see a 2½ foot ceramic statue of Saint Francis of Assisi in the garden scene at the Necrology Service. This will be one of the prizes along with the plants. The statue was made by the Executive Secretary's Mother.

PLEA FOR PLANTS

Come rally to the cause folks! We need plants to give as raffle prizes. Any nursery or individual that would like to donate a plant to be used as a door prize at the Annual Meeting please bring them along. Those not planning to attend may give a certificate good for a plant. Drop the Executive Secretary a line and let him know how many you want to give.

Please tag them with the correct name and also the name of the donor. They will be used in the garden scene and then given away.

SHOW CANCELLED

The Sunrise Chapter has cancelled their Hibiscus Show which was scheduled for Sunday, May 29th.

They felt that since the freeze of last winter hurt so many of the growers and since this was the first big show they were to stage it would be best to hold off for a year. The plans are being laid for a bang-up good-un next year and a drive for new members is under way so that there will be plenty of help to do the work.
